Wesley Manor's Hoskinson House Assisted Living At It's Best

All levels of care when you need it

Wesley Manor is a full-service, Life Plan community, which gives you the advantages of living in one location, even as your health care needs

change over time. This is especially helpful for couples who may have varying needs, yet wish to live on the same campus. Oftentimes, a person will live in the Assisted Living Center while their spouse is just down the hall in the Personal Care/Memory

Support Center or Health Care Center. Residents receive *priority status* for all other areas of campus, therefore bypassing any waiting lists.

"Wesley Manor is really pretty and terrific, and has everything I need. They have a variety of services, and everyone is so friendly here."

Assisted Living resident*

The Assisted Living Center provides two concierge levels of service, with everything you need on one floor.

The residents and staff have made them feel welcome, like a part of the “family.” The staff is kind, friendly and helpful, greeting everyone with a smile and kind words. Wesley Manor does an amazing job, and I’m so thankful my parents are respected and cared for by dedicated caregivers.”
