## Notice regarding COVID-19 at Wesley Manor

August 30, 2021

Dear Residents and Families:

It was brought to my attention this morning that one of our staff tested positive for the Coronavirus. This person was fully vaccinated and had contact with residents in all of our buildings.

No one in any of our buildings, however, is showing symptoms. That being said, based on CDC guidance and sound medical practice, we are instituting the following actions:

1. All residents will be tested for the virus twice a week for 2 weeks.
2. Visitation for our residents will be stopped.
3. Trips off campus will be stopped except for necessary medical appointments.
4. Groups activities will be stopped.
5. Congregate dining will be stopped. (Residents will be served meals in their rooms or apartments.)

If our testing of residents and staff results in no additional positive cases in the next 14 days, we will resume our normal activities at that time. Stay tuned. I hope and pray that this is a short-term issue. Feel free to call me at 502-552-7947 if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink that reads "Jerry L. Hoganson".
